VOL. 8.

CLAY CITY, KY., THURSDAY, OCTOBER 1, 1903.

NO. 40.

More Locals.

Mr. Press Johnson, of Vinton, was here Friday on business.

Rev. R. A. Irvin went to Lexington yesterday and let out the contract to plaster the new Presbyterian church.

Mr. J. Andrew Cain, proprietor of the well-known Versailles flour mills, was here Thursday looking after his splendid trade. Mr. Cain has been advertising his flour in the TIMES for the past five years and is well pleased with the results.

F. A. Lyon, of Beattyville, has announced in the Brethitt County News himself a candidate for State Senator, subject to the action of the Democratic party. The district is composed of Powell, Estill, Madison and Lee counties.

Winchester Court.

A very large crowd was in town but very little business was transacted, especially in the stock line. The protracted drought and the consequent scarcity of grass and water acted as a damper on trade and buyers were few and far between.

The only semblance of activity was in the weanling mule trade and a number of them changed hands. Owing perhaps to scarcity of pasturage the proportion of inferior mules was much larger than common. Common to fair mules brought \$30 to \$50;

fair to good, \$50 to \$60, while a few sold for \$70 to \$75. Few real high grade mules were on hand, as most of them have been sold privately.

At Scobee's Yards were about 125 cattle and most of these were sold; about 3½c was the best price this for fairly good steers of 800 to 1000 lbs. most of the steers sold for 3½ cts. heifers at 2½ to 3 cts. according to quality; bulls 2 to 2½ cts. A number of cows were sold mostly by the head.—Winchester Democrat.

Official Duty Neglected.

In various places in the State where the County Judges and Magistrates have violated the law by not furnishing a public statement of the financial condition of their respective counties, the Circuit Judges are giving special instructions to the grand juries to inquire into the matter and indict the offenders under the statute of neglect of official duty. The penalty ranges from \$100 to \$1,000 and removal from office. The people have a right to know exactly how their money is spent and it is well that there is a way of compelling the officers to grant this right.—Winchester Democrat.

Suicides in Jail.

Elijah Bolin, charged with killing Boyd Griffith in Breathitt county took a heavy dose of morphine in the jail at Jackson and died from its effects. His brother gave the drug to him and has since been missing.

Irvine Items.

(Irvine Herald.)

J. F. West, who has been in California on a visit to relatives, arrived home Sunday. Mr. West is very much relieved of the hay fever, from which he has been a sufferer for several years, as the result of his trip.

B. F. Wilcox, who has been in poor health for several months, left for Missouri Tuesday where he hopes to regain his strength. Mr. Wilcox has relatives at several points in the west, and he expects to visit them all before returning.

The store house of Richardson & Witt at West Irvine was broken into last Friday night and four or five dollars in cash and a number of notes were taken from the safe, which was blown open. No clew has been discovered, so far, as to who the thief was.

On Monday the eight-year-old daughter of Samuel Ginter, of Union Hall, was kicked by a horse on the back of the head, lacerat-

ing the scalp fearfully but not fracturing the skull. Dr. Hood, the attending physician, is of the opinion that she will recover.

Thos. Williams will begin the erection of three fine brick stores shortly, on the Cockrill lot on main street. Jas. Stevens has the contract to furnish the brick, and has begun work on the first kiln. The buildings will be one story with the front run up to correspond with the Richardson building which they will join.

Broke Into His House.

S. Le Quinn, of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure, 25c at Swann-Day Lbr. Co's. store.

Trial of Assassins in Owsley.

In the Owsley Circuit Court, Joe, Dan, Sam and Robert Allen are being tried on the grave charge of assassinating Delaney Peters.

Peters assassination was proven to be one of the deepest-laid conspiracies ever known in the State's history and the evidence against the accused is so strong that nothing but a verdict of death for each is expected. The feeling of the people of Booneville and the country around is very bitter against the accused.

The court has completed the trial of Alonzo Caywood for the killing of Rose. He was sentenced to two years penitentiary service. A much heavier verdict in the case was generally expected, and this, it seems has added to the feeling against the Allens. No indictment has been found by the grand jury against the assassins of County Judge Hyden, although this murder occurred nearly a year ago.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and Bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by Swann-Day Lbr. Co. Trial bottles free.

The Sick.

Mrs. Marion Williams, of near Virden, is quite low at her home with complication of diseases.

Dick Barnett of Vaughn's Mill, has five children very low with fever.

To Hang December 18.

The date of execution of Curt Jett the convicted assassin of James Cockrill, has been fixed for December 18. The prisoner was sent to the Louisville jail for safe keeping. The Mysville jail the place first selected for the criminal, was full up and he could not be entertained there.

Confession of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from Yellow Jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want a reliable medicine for Liver and Kidney trouble, stomach disorder or general debility, get Electric Bitters. It's Guaranteed by Swann-Day Lumber Co. Only 50c.

Farm For Sale.

Ninety acres of good land well improved, at Lilly's Ferry, one mile west of Spout Spring. Well watered, fine orchard, good dwelling of six rooms and all necessary outbuildings. Good neighborhood and other conveniences. Will sell at a bargain. ALLEN OSBORN, Spout Spring, Ky.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

Ahead in Flour?

Well, we should say so! So far ahead that our

Best Patent and Mountain Lily

have become standard brands. There are hundreds of flours to choose from, but the housewives know that MANSFIELD'S is the best. It is milled from the very best wheat on an up-to-date roller mill, run by water power. It is white and has the natural taste and flavor of the wheat berry. That is why we are ahead in flour.

Buy it from your grocer. No greater cost, but much greater value.

SPOUT SPRING.

Miss Mary Burgher, of Locknane, visited relatives near here last week.

Mr. and Mrs. Lloyd Todd visited Mr. R. H. Gravett and family at Log Lick Saturday and Sunday.

Tommy Christopher returned Sunday from a visit to his sister, Mrs. Austin R. Lowry at Pilot View.

Mrs. J. Wilmott McKinney, of Clark county, visited her mother, Mrs. Jas. F. McKinney, last week.

Charley Crow will shortly sell out and move to Indiana to make that state his home in the future.

Benny McKinney sold twenty head of 800-lb heifers to a Montgomery county dealer for 2½ cents.

Allen Orsborne, who has epilepsy, has improved some recently and is now able to go about again.

Mrs. H. S. Daugherty, after a few weeks visit to relatives in this part of Kentucky, has returned to her home at Hudson, Illinois.

The new telephone company will take out all telephones at this place except one, and all others on the line between this place and Irvine.

Elder Warner, of Ford, will supply at the Baptist church Saturday and Sunday in the absence of a pastor. The church will call another pastor in a short while.

Thos. Williams, the Democratic nominee, seems to have a walk-over in the race for Circuit Court Clerk. He has the name of being the poor man's friend, and the mass of voters are for him.

Pastor Crawford preached his initial sermon at the Methodist church Sunday, making quite a favorable impression with his congregation at this place, and we anticipate a successful year's pastorate under his charge.

Mr. and Mrs. Thos. S. McKinney left Monday for Hudson, Ill. where they will visit relatives for a couple of weeks. They will stop at Lexington on their way and visit the former's brother, Marion McKinney for a day or two.

ANNOUNCEMENTS.

FOR REPRESENTATIVE.

We are authorized to announce ALBERT EASTER, of Powell county, candidate for Representative of the 73rd Legislative district composed of Estill and Powell counties, subject to the action of the Democratic party.

We are authorized to announce O. H. MACKAY, of Powell county, candidate for Representative of the 73rd Legislative district composed of Powell and Estill counties, subject to the action of the Democratic party.

Call for Convention.

The Democrats of the Seventy-third Legislative district of Kentucky are called to meet at the court houses in the counties of Estill and Powell on Saturday, the 3rd day of October, 1903, to select delegates to attend district convention for said district to be held in the town of Irvine, Ky. on Oct. 10th, 1903 for the purpose of nominating a Democratic candidate for the Legislature to be voted for at the November election, 1903, and the said district convention is hereby called to meet on the 10th of October, 1903. CHAS. W. FRIEND,

Ch. Estill Co. Dem. Com.

W. D. JACKSON,

Ch. Powell Co. Dem. Com.

The "Great Speech of Caleb Powers" has been published in pamphlet form and is being circulated as campaign literature. They might also have printed and circulated Mr. Franklin's speech, but such as that is just what they don't want read. One Republican paper was offered \$500 to print the testimony as it was given in the Powers' trial, but of course it refused the offer. It was also offered \$110 if it would only print Governor Bradley's testimony as given in one of the conspiracy cases. This it also refused. The truth in these cases must be kept from the honest and justice-loving members of the party that they may retain their suffrage.

Wm. Hall, of Bowen, is being urged by the Republicans to make the race in Powell for Circuit Court Clerk, but he is not likely to do so. Mr. Hall is a business man—a man of intellect and forethought, and, being such, he is fully aware of the fact that he can not beat Morgan Lyle, and that the race will only call for an expense of time and money which he can not afford to take from his business without some hope for success.

The Republican platform of Kentucky in their condemnation of murder "in Serbia as well as Kentucky" might also have included Spain had not President Resevelt shot a Spaniard in the back and killed him as he ran from the great and boisterous bravado.

High Living on the Farm.

Country people are now enjoying better living than they usually do. They can have beef and mutton every day at a very light expense. The stock is worth virtually nothing, and they can enjoy the luxuries of fresh meat more easily than when their animals can be sold for living prices, and numbers are now being consumed on the farm because a fair price for them cannot be realized. In this one way at least, the alleged Republican prosperity is helping them out in having a better living. It seems to be up to our rural friends to eat up what they raise or give it away. Live stock are now at lower prices all around than the writer ever knew them before. Who must bear the blame for the prevailing depression in the stock market?

Last fall it was the cry that John G. White would be elected to Congress, but the usual Democratic majority was doubled and Hopkins elected by 3,500. The Republicans are now just as confident of their success in the electing of the state ticket this fall as they were of White's success last year, and the result will be equally as disappointing to them in November. Strange some people can't see some things.

The "Great Speech of Caleb Powers," now being used as Republican campaign literature, has appended the editorial in the Lexington Herald bearing on the conviction of Powers for his part of the Goebel assassination. When Republicans look to and use such dirty sheets for campaign matter, we don't see why any Democrat should fail to see that it is the bitter enemy of the party it professes to serve.

One reason given by Judge Beckner for refusing to divide time with Uncle "Napo" Hays yesterday was that he didn't know how long he would want to talk to tell his home people the reasons for his political change of heart. It ought not to take long to tell it. We all know that it is summed up in one word, "Pie." Winchester Democrat.

Since the death of Congressman Boreing in the Eleventh district, there has sprung up a dozen or more candidates to fill the vacancy. Among the number are Col. D. G. Colson and Ed Parker, Boreing's two opponents for the place when he ran in the primary last year for the nomination.

J. C. Speight is of the right name. When he became so unpopular with the Democratic party, like Beckner and McCarty, he turned over, and is now running for Secretary of State on the Republican ticket for spite.

The Alabama Legislature has just enacted a law which prohibits Sunday base ball playing. This is a good law and every state in the Union should pass a similar bill.

Don't forget the mass convention at Stanton Saturday to select delegates to attend the district convention at Irvine the 10th. Every Democrat in the county should be present.

The mass convention at Stanton Saturday will name the next Representative from this district, since it is Powell's time to name the Democratic nominee.

Gov. Beckham spoke at Bowling Green Monday and was cheered by over 6,000 people filled with enthusiasm to the brim.

Cured

At 70 of Heart Disease Contracted

During Civil War—
Veteran Grateful.

Dr. Miles' Heart Cure
Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil war I contracted heart disease, and in 1866, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, and the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

A Tight Game.

A big ball game was played here Sunday between the home team and the Bellevue Browns. The Clay City boys won by one score after a hotly contested and hard fought game. The Bellevue team is accredited as being the strongest team that ever matched the local club. Our boys say so and they certainly ought to know.

Dry Weather Continues.

No rain yet, and we are now dryer than we have been for some time. It was cloudy Sunday morning and when it began raining it appeared as if though it had put in for at least the day, but the rain was very light and had but little effect upon even the dust, and it was dusty as ever in the afternoon. This light shower was followed by a drop in temperature and frost Sunday and Monday nights. The frosts, though many in number have done but slight damage to vegetation.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia and that it is pleasant and safe to take. For sale by all dealers in patent medicine.

Mr. Powell has the building now across the railroad and will, in a few days, have the structure safe on its new site, on Sixth street. This building will add to the appearance of this street when properly trimmed up.

Only a Very Few Published.

It is impossible for the proprietors to publish more than a very few of the numerous letters received in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy and telling of its remarkable cures. They come from every walk in life and from every state in the Union. The following from Mr. T. W. Greathouse, of Prattsburg, Ga., speaks for itself: "I would have been dead now but for the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It cured me of chronic diarrhoea after seven years of suffering. I can never say too much in praise of that remedy." For sale by all dealers in patent medicine.

A Bad Man.

Alton King was arrested here Sunday by Policeman Walden and was taken to Richmond the following day. He escaped from the chain gang of that city a couple of years ago, and is also wanted at Stanton where he broke jail recently. He is regarded as a desperate character.—Winchester Democrat.

Ran a Ten Penny Nail Through His Hand.

To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by all dealers in patent medicine.

Do Good—It Pays.

A Chicago man has observed that, "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures I know it for it has helped me out many a time." Sold by all dealers in patent medicine.

The Lexington Democrat printed Commonwealth's Attorney Franklin's speech in the Powers case in full Sunday. The Democrat may always be depended upon to do all in its power for the cause it represents.

FEMALE WEAKNESS

542 1-2 Congress St.
PORTLAND, MAINE, Oct. 17, 1902.
I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Snow
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

MEAT & MALT

THE IDEAL TONIC AND RECONSTRUCTIVE.

There's Life and Strength in Every Drop.
A scientific combination of the essential constituents of PRIME BEEF and PURE OLD MALT.

Louisville, Ky., January 22, 1902.

Gentlemen—Having examined your Meat and Malt preparation, and being thoroughly acquainted with its composition and mode of manufacture, I can state that it is an efficient nerve and blood tonic. It excites the appetite and invigorates digestion, and is especially beneficial in nervous prostration and all diseases attended with debility. Yours truly,

Irvine, Ky., Sept. 14, 1903.

It has been reported throughout the county by some unknown persons that I and my friends were against Jas. A. Wallace, the Republican nominee for clerk of the Estill Circuit Court. I want to say to the Republican voters of Estill county that I am for Jas. A. Wallace, the nominee, and will vote for him and do all in my power to elect him, and I now ask all my friends to do the same, as it would be injustice to me for my friends to do otherwise, and I ask that this statement be published to the world to show how I stand in the matter.
